We, the class of 1976, in honor of the school's 50th anniversary, are very proud to dedicate our yearbook to the late governor Morgan Gardner Bulkeley, after whom Bulkeley High School was named.

The late Mr. Bulkeley was born in East Haddam on December 26, 1837. At the age of 9, he and his family moved to Hartford, where he started working in his father's insurance company, now known as Aetna Life Insurance Company. Eventually, he became the third president of Aetna, after his father's death.

He was elected as a councilman and later mayor. In 1888, he was elected governor of the state of Connecticut. In 1904, he climaxed his career by being elected to the United States Senate.

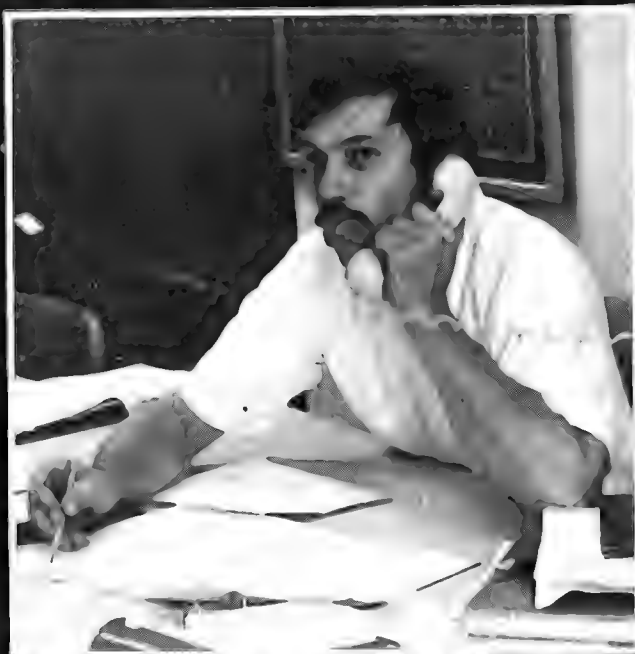

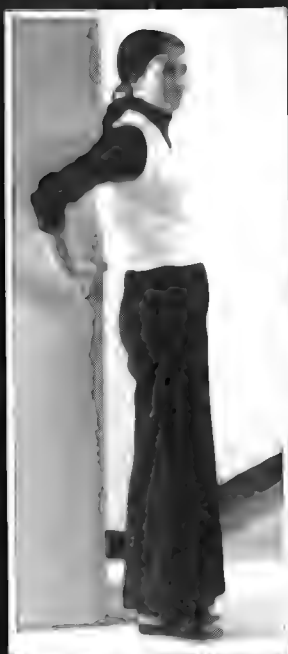

Not only was this unusual man a great social and economic success, but he was also a lover of sports. He organized many baseball teams. And in recognition of this, Bulkeley was named President of the National League at its organization in 1870. Thus this eminent man — outstanding in business, politics, and sports — lived a truly full life. We should all be proud to be part of the magnificent school which has been dedicated to this great man — Morgan Gardner Bulkeley.

## *Faculty*

As we sojourn through this significant period of our lives — these four years at BHS — we must stop and contemplate important influences on our development. Outstanding among these factors is the faculty — whether it be administrators or teachers. These people

have influenced our growth and maturity; not only have they taught us in academics but in organizations and many areas of life also. The faculty has guided and aided us — we should remember them with gratitude and a smile.

# SENIORS

As freshmen we searched frantically for our classes after the late bell had rung, sat nervously in our classes, glancing up, searching for a friendly face and insecurely followed the crowd as phys. ed. or lunch got underway.

As sophomores we were more daring; hesitantly, we joined clubs, started saying "Hi" to vaguely familiar faces, many of us began working and we attempted to look for lasting friendships.

As juniors our pride swelled because we

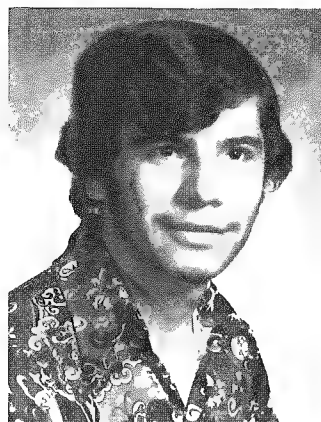

were upperclassmen, a sense of unity developed as work on the Junior Prom got underway, security increased with time, yet a sense of uneasiness touched us as senior year approached.

As seniors we are again insecure about the future, friendships will dissolve, anxiety, happiness and gloom may occupy one person's mixed-up heart, new privileges overwhelmed us, hard workers aim for lasting memories such as the Senior Reception, the yearbook and graduation day overtakes us too soon.

# ORGANIZATIONS

Clubs and organizations are an essential part of school life. All of those participating in activities learn the value of cooperation. Only benefits result from active participation in a club; one becomes more knowledgeable in his areas of interest, introduced to new concepts and this broadens his perception — of those surrounding him, of his society and of himself. Meeting people, working and interacting with them, is a priceless learning experience. Belonging to a club also carries

responsibilities; one must fulfill these duties hence exhibiting accomplishment and maturity. Success justified every moment of hard, never-ending work and planning on some activity. Although these groups are unified and orderly, they allow each person to express his individuality and display his various talents. Let us never stop working toward a goal. We must always strive to achieve dreams and contemplate opportunities as we have in the past.

## Yearbook Staff

The yearbook staff should be highly commended for creating a lasting and fond memory — our yearbook. These people have diligently toiled for hours, assembling and collecting bits and pieces of all in the class of 1976 to be placed in this book. Our four years at Bulkeley will always be cherished through this book and those who worked on it shall always be remembered.

## Senior Class Officers

Our Senior Class Officers have worked extremely hard to sponsor dances, raise money and plan the Senior Reception. This group has encountered many difficulties along its path to success; naming a few, the teachers "job-action," apathy and school regulations. Determination and ambition have helped them along this rocky road. Remember them as great leaders and organizers who have always represented you.

These people have many responsibilities as leaders and organizers. The primary difficulty they must overcome is the fear which they encounter as novices. This is their first attempt at leading a class; pizza, flower, and card sales have proven profitable and have demonstrated the powerful qualities these people possess.

## *Thirty-two Club*

This club consists of the top sixteen boys and sixteen girls of the senior class. These people are well educated and have spent a great deal of time and hard work for their studies.

## *National Honor Society*

The National Honor Society is composed of upperclassmen who excel not only in academics, but in leadership and character as well. Hard work for all four years has given them this honor.

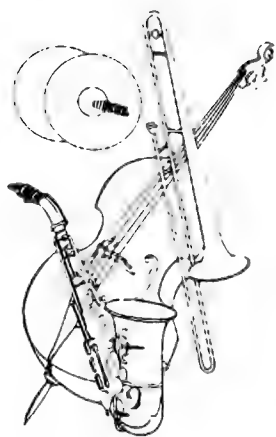

## *Student Congress*

The role of government and its relationship to the individuals has been changed so radically that today government is involved in almost every aspect of our lives.

## *Drama Club*

Once again the dispute between the teachers and the Board has negatively affected an important organization. For the first time in years a dramatic production was successfully rehearsed and scheduled; however, job-action dissolved all preparations and plans. Next year, hopefully, a production will be fully carried out.

## Girls' League

## *Health Careers Club*

The medical professions are noble and the students in this club are fortunate to be exposed to various insights concerning their career choice. This orientation should prove beneficial in the years to come.

*Computer

*Key Club*

## *Science-Life Club*

These selected students have gone on science-oriented field trips and sponsored a Kinesiology (body-building) assembly. Through these valuable experiences, these students may decide if their career choice is in the sciences.

## *Peer Counseling*

The Peer Counseling Group was organized at Bulkeley to get students to help other students. These peer counselors completed a course which trained them in the art of listening to others and providing resources where these are needed. The peer counselors work with staff coordinators, teachers, who act as resource persons. The staff went through the training with the students and were formed into units where they help each other as well. Peer counselors see students who want to discuss problems regarding academics or personal concerns.

## *Mat Maids*

This group of girls are faithful supporters of the wrestling team. You can find them at every meet cheering for their team. Sometimes they sponsor bake sales which contribute money to the team for needed items.

# MEMORIES

Most of our high school memories will be of our junior and senior years. As upperclassmen we were granted privileges and unified the class in order to maintain success in all activities. In our junior year, pizza sales, flower sales, a roller skating party and social security plate sales contributed to the funds needed for our junior prom — "Shunshine of My Life." For the first time in years, Talent

Nite was held; students involved displayed tremendous unity and talent.

This school year, 1975-1976, activities have been hindered or delayed because of Board-Teacher disputes. However, such fund-raisers as candy sales, a raffle, and dances will greatly aid the Senior Reception, "Memories," in becoming a success and joyful memory!

Ushers and Usherettes

Yeah, I'm a senior, so what about it?  
So there's only two weeks left of  
school, and then I'm out in the big  
world. Can't wait until graduation  
night. . . . It's gonna be great. I'll  
cruise up front, grab that diploma, say,  
"thanks buddy," and run. S'pose I don't  
know where I'm running to, though.  
Before, all I did was follow the rest of  
those darn rowdies. I knew I could  
always find someone at a game, a party,  
or MacDonald's. But now it's gonna  
be different. We're all going to take  
off and try to make it on our own.  
Listen to this joke — letting graduation  
get to him after twelve years of being  
a hard guy. Oh, geez. . . . Yea, it's  
time to make it to class. . . .  
guess I might even miss that when it's  
over. Check ya later, buddy.  
Thanks, see ya, bye.

It's graduation and it's unbelievable  
that I'm here. They'll call my name  
in a few minutes, and I'll walk up  
to receive my diploma. Where do I go  
from there? I've always had the security  
of the school routine and its  
activities, surrounded by the friends  
I was so familiar with. Now we'll all  
be going in different directions,  
and I wonder how long it will be before  
the memories that meant so much  
start to fade. After twelve years of  
this you would think I would be  
ready to move on, but I feel like  
I'm leaving a part of me behind.  
Maybe that's good though,  
because I really have changed  
in the four years that I've been  
here. Well, pretty soon they'll get to  
my name. Then I'll be up there,  
and it'll be all over. In a way, I guess  
everything's really just beginning.

# ATHLETICS

The 1975-1976 athletic season here at B.H.S. has been quite successful. The Soccer Team was the Class L State Champion; the Basketball Team, for the first time in years, made the play-downs; the Volleyball Team placed tenth in the State. The Swimming, Wrestling and Track Teams fared unusually well; Bulkeley had several individual honors

in State Tournaments and success in most City Series Championships. School spirit was tremendous this year and even heartbreaking defeats could not overpower our spirit. Although victory was not always ours, the time and effort spent by athletes and coaches were surely justified by self-esteem and gained respect.

# Soccer

This year's Soccer Team won the CDC and city series for the third consecutive year. They ranked seventh in the state going into the finals and won the Class L Championship. This is truly an honor for the Soccer Team and everyone should be proud of them, for it is the first time in the history of Bulkeley High School that any team sport has won a state championship.

There were six members of the team who made the CDC all star team. They are: Robert Cicero, Giuseppe Capasso, Ricky Motta, Mike Motta, Benji Niro and John Nisyrios. Also, Aldo Pantano received honorable mention.

The team scored 65 goals, gave up 7 and had 11 shutouts in all for their winning season, making their record 14-3-0. Mr. Budaj's accumulated record for the past three years is 43-6-1.

Congratulations fellows! We're proud of you!

# Now you can enlist in the Army and start college at the same time.

Over 1000 colleges and the Army have an educational plan called Project Ahead. It's a way to enlist in the Army and start your college education at the same time.

If you qualify under Project Ahead, you choose the participating school you'd like to graduate from before you enlist. Then no matter where you study while in the

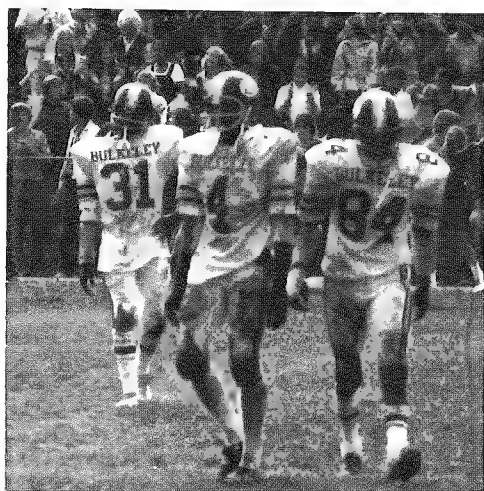

Army, you'll take courses taught by accredited colleges right on post, with the Army paying up to 75% of the tuition.

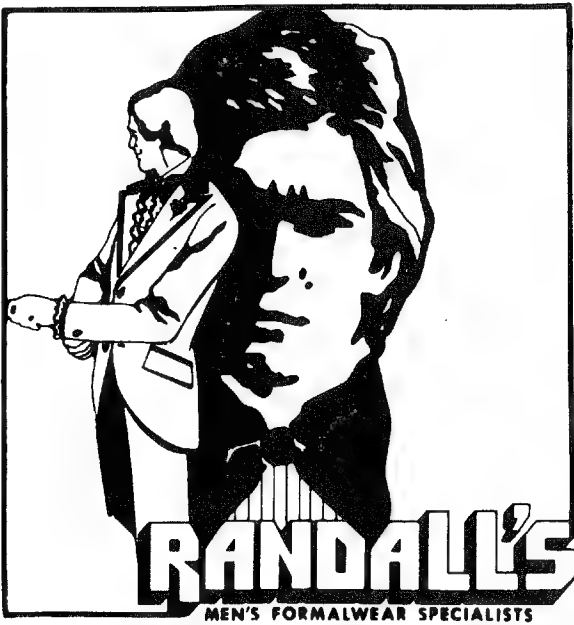

After your enlistment's over, you'll be eligible for further financial assistance under the G.I. Bill.

If you're interested in starting on your college degree while you're working at a good job, call me.

# OUR SHARE!

*We live in this community. We share in its bounty. And we share in easing some of its problems, too.*

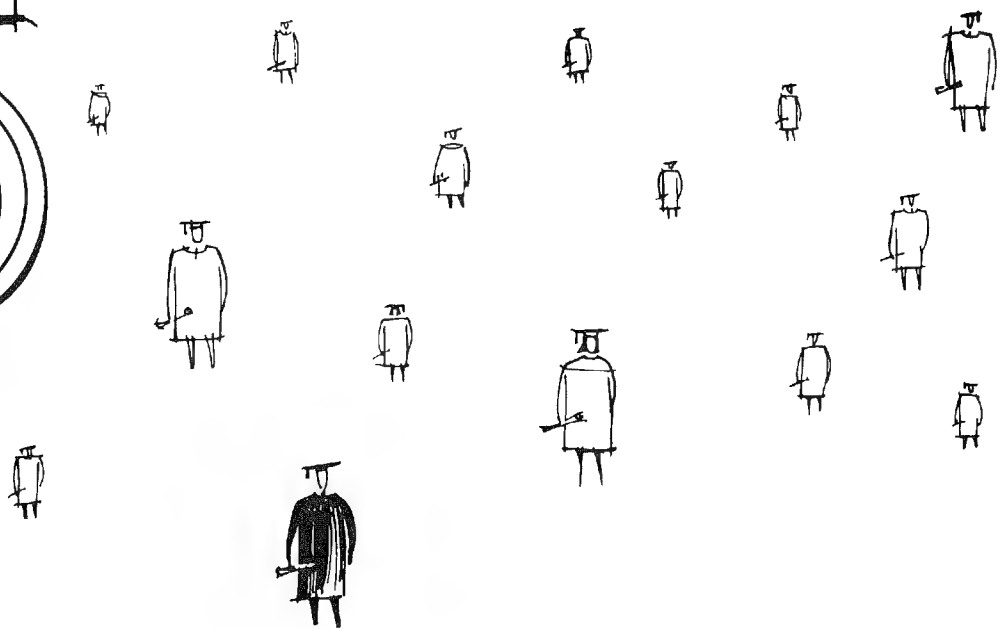

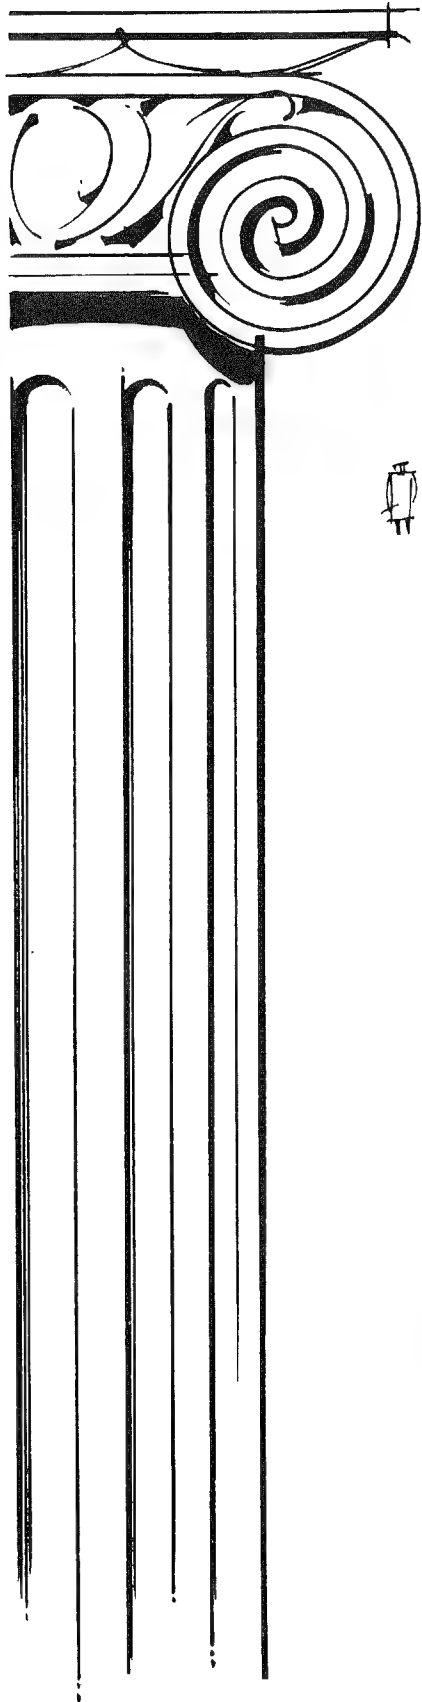

For example: We share in the financial support of such constructive programs as the Alternate Learning Center, Roots, Big Sisters X-Change and New Dawn Day Care Center. And our human resources are committed to up-grading office and language skills for minorities, an active alliance with a city high school, encouraging physical fitness and producing public service programs.

**Sharing. That's what good neighbors are all about. We hope that our share will help make a Greater Hartford for all of us.**
